REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kensington Elementary School's faculty and staff strive to provide every child with the opportunity to achieve their fullest personal and academic potential. The faculty and staff believe that every child can learn in a safe and caring environment where high academic expectations are promoted. A variety of strategies, meaningful materials, and emerging technology are used to maximize student potential and individual learning styles. We are committed to building self-esteem, good character, and enhancing creativity and individuality in all of our students. Character Education and Life Skills is modeled and lived by the faculty and staff as well as the students in an effort to improve learning with emphasis on the school's climate. Our faculty continuously seeks ways to develop and grow professionally. The majority of our faculty hold advanced degrees. Those who do not are presently working towards earning advanced degrees. This year, Christa Scott, achieved National Board Certification. We are proud to have 16 National Board Certified Teachers on staff!

Our strong collaboration with our stakeholders continues to provide our staff and students with resources needed to ensure success. Our vibrant and resourceful PTA, under the leadership of Jennifer Cox, completed our playground expansion; adding a jumping pad and basketball court for our students to enjoy during outside play. The School Improvement Council has drafted a conceptual model that would provide health and safety initiatives for our students. Our partnerships with the Georgetown Kraft Credit Union and other local businesses continue to afford us with resources to enhance teaching and learning. We continue to reap the benefits of our volunteer tutors! Daily, you will find extraordinary volunteers like Bonnie Hughes, 2010-11 Volunteer of the Year, helping students with sight words or building reading skills.

The faculty and staff of Kensington Elementary School will continue to have high academic and behavioral standards and expectations for all the students that we serve. Our commitment to continuous improvements, positive communication between the home, school, and community, and providing a quality education to our students will be always be top priority. Our shared mission is to help all children achieve their maximum potential within a comprehensive, nurturing learning environment so that they may become caring, responsible citizens, as well as lifelong learners.
